### Flip-up Grill

Provides increased ventilation and prevents sensitive animals from being startled.

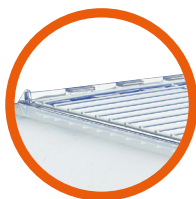

### Locking Clips

Easily secures top into base.

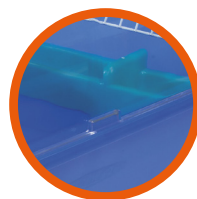

### Elevated Hay Guard

Keeps food away from waste and provides natural feeding position.

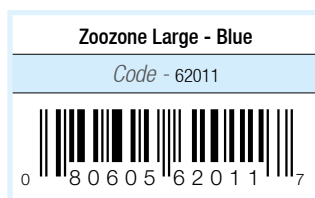

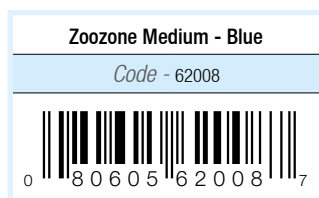

### Breakaway Hinges

Designed so that the grill disconnects from the unit if excess force is applied.

### Compartment Feeding Dish

Snaps securely in place.

## PALS PEN

Living World Small Pals Pens combine durability, security, versatility, and ease of transport to create the perfect temporary oasis for your pet. Suitable as short term housing for small animals, fish and reptiles, Small Pals Pens can function as a pet carrier, temporary aquarium, terrarium, small animal pen, or as a nursery. The unique lightweight design includes a solid moulded structure, a secure snap-locking lid, complete ventilation, and a hole incorporated in the lid for air tubing. Breakaway hinges, a removable lid, and rounded edges enable easy cleaning. Available in a variety of sizes.

## OVO

### **Imagine-A-Home**

With loads of tunnels and add-on's hamsters will never get bored – you really can create your hamsters' dream home! The OVO Suite contains a complete home set-up, including a handy transport unit for use when cleaning or for trips to the vet.

### **Habitrail OVO**

The Habitrail OVO is quite possibly the most innovative and contemporary hamster habitat ever made. With a fresh look and cutting edge design, OVO will brighten up any bedroom and contains everything your hamster needs for an exciting, fun-filled life!

### **It's A-Maze-ing!**

The Habitrail OVO Mini Maze unit may look deceptively simple, but the possibilities are endless! Hide food and treats in the nooks and crannies for your hamster to discover and look out for exciting new additions to the maze range!

### **Easy Access**

Innovative sliding doors allow easy access to your pet and make feeding and cleaning a breeze.

## DOMES

The Living World Dome provides a secure and comfortable hideout for hamsters. This cool hideout makes a fun and stimulating addition to hamster homes. Available in assorted colours, the Dome is made of durable, stain- and odour-resistant plastic. Best of all, it's easy to clean!

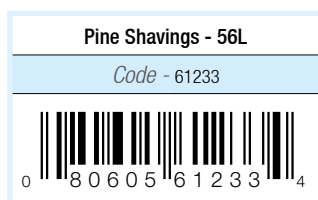

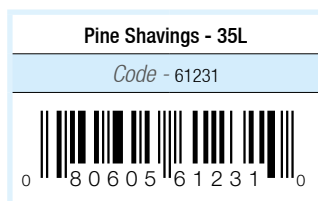

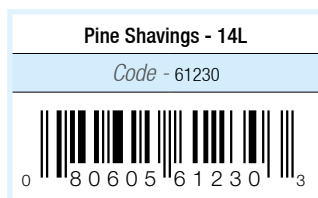

## PINE SHAVINGS

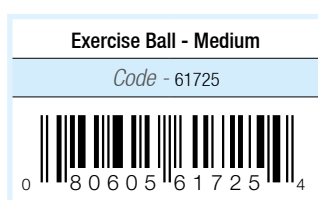

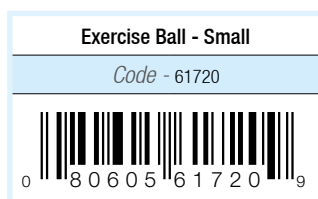

Straight from the pine forests of "Living World"! 100% natural pine bedding with a forest fresh scent.

## EXERCISE BALL

Being in top condition is very important in "Living World", so every spare minute you will find them in the gym. Some of them even have their own Exercise Wheel at home to stay in shape, while others travel around in their "Exercise Ball". After their workout, it's time for a healthy meal or snack.

## PAWS 2 GO CARRIER

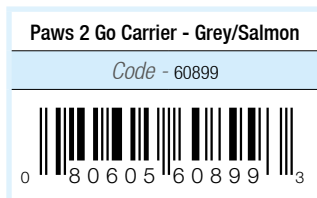

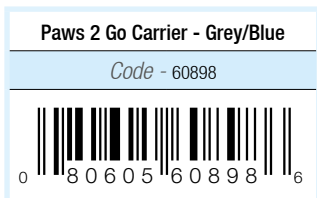

The Paws2Go small pet carrier is a safe haven for your pets when on the go.

Perfect for taking your pets to the vets or on holiday, this stylish carrier has multiple ventilation slits to ensure optimal air circulation, a small feed access window and an ergonomic lock that secures your pet inside.

### Key Features:

- Available in 2 colours (Blue & Salmon).
- Multiple ventilation slits ensure optimal air circulation.
- Small feed access window.
- Ergonomic lock secures pet inside.
- Also suitable for Budgies and Cockatiels.

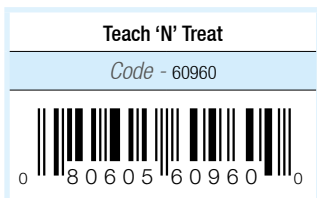

## TEACH 'N' TREAT

A fun, interactive and educational toy for your small pet. Let your small pet forage for treats through observation, listening and learning. You will find this experience rewarding as it allows you to:

- Teach your small pet, keeping his mind active and alert.
- Interact – develop an emotional bond with your small pet.
- Have fun!
